The Marriage Proposal

By Célestine Hitiura Vaite

Cornerstone. Paperback. Book Condition: new. BRAND NEW, The Marriage Proposal, Célestine Hitiura Vaite, Materena Mahi likes movies about love. And after fourteen years with Pito, the father of her three children, she wants a ring on her finger and a framed wedding certificate on the wall. But Pito does not like movies about love. He likes movies with action and as little talking as possible. Pito thinks that when you give a woman a ring and a wedding certificate she's going to start acting like she's the boss. 'Eh', he insists, 'it's the rope around the neck'. So when a drunken Pito finally proposes, Materena thinks she wouldn't mind becoming a madame. Before long every relative is giving her advice and Materena is finding it hard to juggle her family, her job and the plans for the wedding. And it doesn't help that the groom-to-be seems to have forgotten his proposal. Suddenly, she's not even sure that she really wants that ring on her finger after all.

A very amazing publication with perfect and lucid information. We have read through and that i am certain that i will planning to study once more yet again in the future. You will not really feel monotony at anytime of the time (that's what catalogues are for about should you question me).
