Taylor & Francis Ltd. Paperback. Book Condition: new. BRAND NEW, Small Animal Orthopedics, Rheumatology and Musculoskeletal Disorders: Self-Assessment Color Review: Volume II (2nd Revised edition), Daniel Lewis, Sorrel J. Langley-Hobbs, The practice of small animal orthopedics has advanced considerably in the 15 years since the publication of the first edition of Self-Assessment Color Review of Small Animal Orthopedics. Diagnostic procedures, instrumentation, implant systems, and surgical techniques have evolved and progressed considerably. This second edition of a trusted text keeps pace with the rapidly expanding practice of small animal orthopedics while embracing the developing fields of canine sports medicine and rehabilitative medicine. The newly titled Small Animal Orthopedics, Rheumatology and Musculoskeletal Disorders: Self-Assessment Color Review, 2nd Edition is designed to facilitate active learning through a new selection of clinical case scenarios along with integrated questions and answers that help readers develop sound decision-making skills. This illustrative, self-directed educational tool disseminates essential information to veterinary students, interns, and residents in training as well as small animal practitioners with specific interests in orthopedics, canine sports medicine, and rehabilitative medicine. In response to feedback provided by readers of the original text, references have been provided for each question, allowing readers the opportunity to delve...

Reviews

Completely essential read through ebook. This can be for all who state there was not a well worth reading. You won't really feel monotony at any time of your own time (that's what catalogs are for relating to if you request me).
