Reviews

This pdf is fantastic. Sure, it can be engage in, nevertheless an interesting and amazing literature. Its been developed in an remarkably straightforward way and is particularly merely after i finished reading through this publication where in fact transformed me, change the way in my opinion.
(Mr. Lee Simonis PhD)

HERE COMES THE GARBAGE BARGE!

Schwartz & Wade Books. Hardback. Book Condition: new. BRAND NEW, Here Comes the Garbage Barge!, Jonah Winter, Red Nose Studio, Reduce, Reuse, Recycle! Teaching environmental awareness has become a national priority, and this hilarious book (subtly) drives home the message that we can't produce unlimited trash without consequences. Based on incredible true events, Jonah Winter brings us the flavorful story that starts in a little town on Long Island that has a big problem: 3,168 tons of garbage and nowhere to put it! Enter the garbage barge, who hauls the junk down the coast of North America looking for a place to dump it. . . . Humorous language and amazing art built out of junk, toys, and found objects by Red Nose Studio make this the perfect book for Earth Day or any day. Photos of the work-in-progress on the back side of the jacket offers added appeal.
