The publication is straightforward in study better to fully grasp. It is definitely simplistic but excitement inside the 50 percent of your publication. It is extremely difficult to leave it before concluding, once you begin to read the book.

Abingdon Press, United States, 2006. Paperback. Book Condition: New. 226 x 152 mm. Language: English . Brand New Book. For individual or group use It is my hope that this book will provide at least fifty ways you may take steps in a lifelong walk with God. It is written for you, the seeker and sojourner, as well as you, the church leader, youth minister, retreat facilitator, or worship planner. It is for all of us who thought we only knew one way to pray. --from the introduction The explosion of interest today in Christian mystics, ancient prayer practices, and guided meditations speaks to a need for more hands-on tools that will help us pray in traditional as well as new and exciting ways. This book is intended to address that need. For those of you wanting to lead these practices in a group, there are special instructions and information in the Leader s Guide at the end of the book. Rich with wisdom drawn from the wellsprings of Western spirituality, this remarkable book is a sustained experience of spiritual direction offered by a seasoned spiritual guide. -John S. Read it to deepen your understanding of prayer; use it to...
