VINTAGE, United States, 2001. Paperback. Book Condition: New. Vintage Books.. 205 x 132 mm. Language: English . Brand New Book. In America Reborn, journalist and historian Martin Walker defines twentieth-century America through the portraits of twenty-six American individuals whose accomplishments, innovations and ideals propelled the United States to a position of global dominance. Here are the thoughts and beliefs of politicians and performers, thinkers and doers, capitalists and revolutionaries, immigrants and the native born. From Teddy Roosevelt s imperial ambitions to Bill Clinton s global vision; Emma Goldmans radical ideals to William F. Buckley s profound conservatism; Albert Einstein s elegant theories to Katharine Hepburn s elegant delivery-the biographical essays that make up this narrative show us the variety of American archetypes and offer a vision of how strong individualism has always been the bedrock of (helped make up) the American character.
