Reviews

Undoubtedly, this is the greatest operate by any article writer. It is actually writter in straightforward words instead of confusing. Your life period is going to be change as soon as you complete looking over this book.

(Karina Ebert)

FATHEAD

Xlibris, Corp. Paperback. Book Condition: New. Paperback. 232 pages. Dimensions: 8.3in. x 5.5in. x 0.7in. There is nothing embarrassing or dangerous about being fat. Well, at least for fat George who is a bright mind trapped in a fat body. In this hilarious and witty new book, the main character glories in his obsession and fantasies for food, and could very proudly parade around town buck naked and scream, Fat people, unite! Author Robert Lesser dishes a comical twist on the health issue of obesity in his new book Fathead. Lessers previous work initiated readers to the finer art of human cookery, sparing no one in his gourmet creations. In Fathead, the author takes his gustatory predilections to new heights with the books chocolate-covered pages. Cant resist that, can you Fat George begins with a description of himself and his general outlook about his condition, I weigh exactly three hundred and forty pounds and am five feet three inches in height. I state this as a simple and measurable fact. . . being fat pleases me; it is my only individuality. For George, who works in a mint candy factory, there is only one food, chocolate almond bars. In his mind, he groups other humans as either Vanilla or Chocolate people. Fat George prides in his impeccable hygiene and uses it as a weapon against criticism or insensitive jokes. In telling his thoughts and life, George takes us to his favorite bar, workplace, and his home, and introduces the people who add flavor to his life including his very own relatives-his cousin Jules, who goes through insane tactics to combat the enemy of food, and his Aunt Mabel who is fat only on the left side. Fathead portrays our different attitudes towards food and obesity-obsession, fear or hatred. Lesser paints a crazy...
