Environment and Tourism (Paperback)

By Andrew Holden

Taylor Francis Ltd, United Kingdom, 2016. Paperback. Book Condition: New. 3rd Revised edition. 234 x 156 mm. Language: English . Brand New Book. The global demand for tourism continues to increase as economic growth creates opportunities for its consumption as a lifestyle option across cultures. The spatial reach of recreational tourism into remoter environments reflects a desire to reconnect to nature that is partially created by the global trend toward urbanisation. At the same time, anthropogenic created environmental problems have led us to re-evaluate our relationship to nature and the values that are held by the environment. This third edition of Environment and Tourism incorporates additional material on environmental philosophies and ontologies of nature and how these influence our understanding of tourism s relationship with the natural environment. In an epoch representing a critical juncture for the future well-being of the planet based on our relationship to nature, the text has been updated to reflect the growth in significance of the interaction between tourism and the natural environment as a part of this discourse. It communicates a range of key conceptual debates on the ethics and economics of the consuming nature for tourism and relates these to real world examples...
