Brand New Book ***** Print on Demand *****.Excerpt from Writings on American History, 1948, Vol. 2: Of the Annual Report of the American Historical Association for the Year 1950 This volume, a classified list of books and articles on United States history published during 1948, continues a series of volumes of which the latest, for 1939 and 1940, was issued in 1949. No volumes have been prepared for the years 1941-47. The first volume of this series, listing publications of 1902, was issued in 1904, and the second, for publications of 1903, in 1905. The years 1904 and 1905 were not covered. Writings published during the years 1906-40 were listed in 33 volumes edited by Grace Gardner Griffin. It is understood that the Writings will continue to be printed as parts of the annual reports of the Association. The Commissions only responsibility for the volume for 1948 has been to complete the reading of proofs. The volume for 1949 is in press, and work on the volume for 1950 is nearing completion. No provision has yet...
