COMMUNICATION DISORDERS IN SPANISH SPEAKERS: THEORETICAL, RESEARCH AND CLINICAL ASPECTS (HARDBACK)

Channel View Publications Ltd, United Kingdom, 2007. Hardback. Book Condition: New. 234 x 160 mm. Language: English . Brand New Book. Spanish speakers, whether in monolingual or bilingual situations, or in majority or minority contexts, represent a considerable population worldwide. Spanish speakers in the U.S. constitute an illustrative context of the challenges faced by speech-language practitioners to provide realistic services to an increasing and diverse Spanish-speaking caseload. There is still considerable paucity in the amount of literature on Hispanic individuals...

Reviews

A new electronic book with a new point of view. it was writtern extremely completely and beneficial. Its been written in an extremely straightforward way in fact it is simply following i finished reading this publication through which really altered me, alter the way i really believe.

-- **Dr. Florian Runte**

Here is the finest publication we have read right up until now. It is actually writter in easy words instead of difficult to understand. Its been written in an remarkably easy way in fact it is only right after i finished reading this book in which basically changed me, modify the way i really believe.

-- **Prof. Vanessa Smitham V**

This is actually the very best book i actually have read till now. This is for all those who statte that there was not a worth studying. Its been written in an remarkably straightforward way which is merely following i finished reading this publication by which in fact altered me, modify the way i believe.
