Over the past years Austria tried to adapt its principle of neutrality and thereby finally became a full member of the European Union 1995. The questions which will be addressed in that paper are: What is the meaning of Austria's policy of neutrality in general What did this implied for Austria's foreign policy and its relationship to European Community How comes, that this principle is still so important and how does Austria evaluate the Constitution for Europe in terms of neutrality 16 pp. Englisch.
