

Army Regulation AR 195-5 Criminal Investigation Evidence Procedures 22 February 2013 (Paperback)

By United States Government Us Army

Createspace, United States, 2013. Paperback. Book Condition: New. 279 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.This regulation provides standards for receiving, processing, safeguarding, and disposing of physical evidence acquired by special agents, investigative assistants, and evidence custodians of the U.S. Army Criminal Investigation Command (USACIDC); Military Police (MP); and Department of the Army (DA) employees and contractor personnel who are assigned to civilian police or security guard positions involving the enforcement of law and security duties on Army installations or activities. The standards set by this regulation also apply to Army counterintelligence (CI) agents collecting and processing evidence by authority of AR 381-20. Evidence handling with the U.S. Army Criminal Investigation Laboratory (USACIL) facility is exempt from AR 195-5 requirements. The authority to establish and approve policies and procedures for evidence handling, processing, and accountability within the USACIL is delegated to the Director, USACIL. This regulation is for the internal management, control, and disposition of evidence of criminal misconduct, including unrestricted reporting cases of sexual assault. It also applies to the management, control, and disposition of evidence kits and any other property released to Provost Marshal (PM) activities in sexual assault cases involving...

Reviews

It in one of the best book. Better then never, though i am quite late in start reading this one. You wont feel monotony at at any moment of the time (that's what catalogues are for regarding in the event you check with me).

-- **Dr. Kristin Dickens**

Basically no words to describe. We have read through and i also am sure that i am going to going to read once more once again later on. You may like just how the article writer compose this publication.
